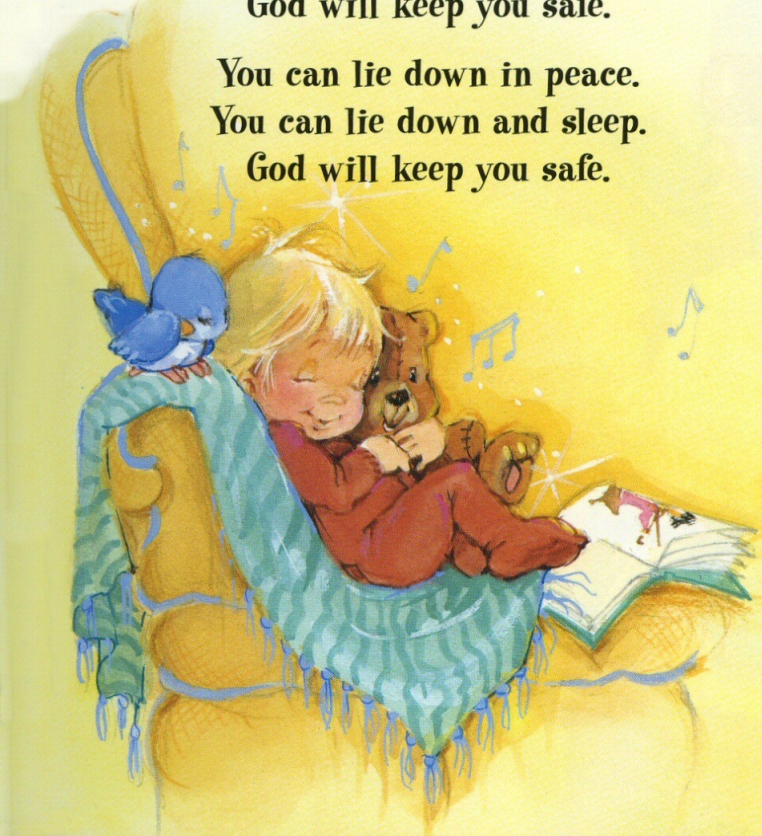
Lie Down in Peace

Psalm 4:8

You can lie down in peace.
You can lie down and sleep.
God will keep you safe.

You can lie down in peace.
You can lie down and sleep.
God will keep you safe.



CHORUS:

Safe in your bed, safe in his arms–
You will be safe till morning comes.
Safe in your bed, safe in his arms–
You will be safe till morning comes.

Close your eyes now in peace.
Close your eyes now and sleep.
God will keep you safe.

Close your eyes now in peace.
Close your eyes now and sleep.
God will keep you safe.

CHORUS

You can dream now in peace.
You can dream now and sleep.
God will keep you safe.

You can dream now in peace.
You can dream now and sleep.
God will keep you safe.

CHORUS

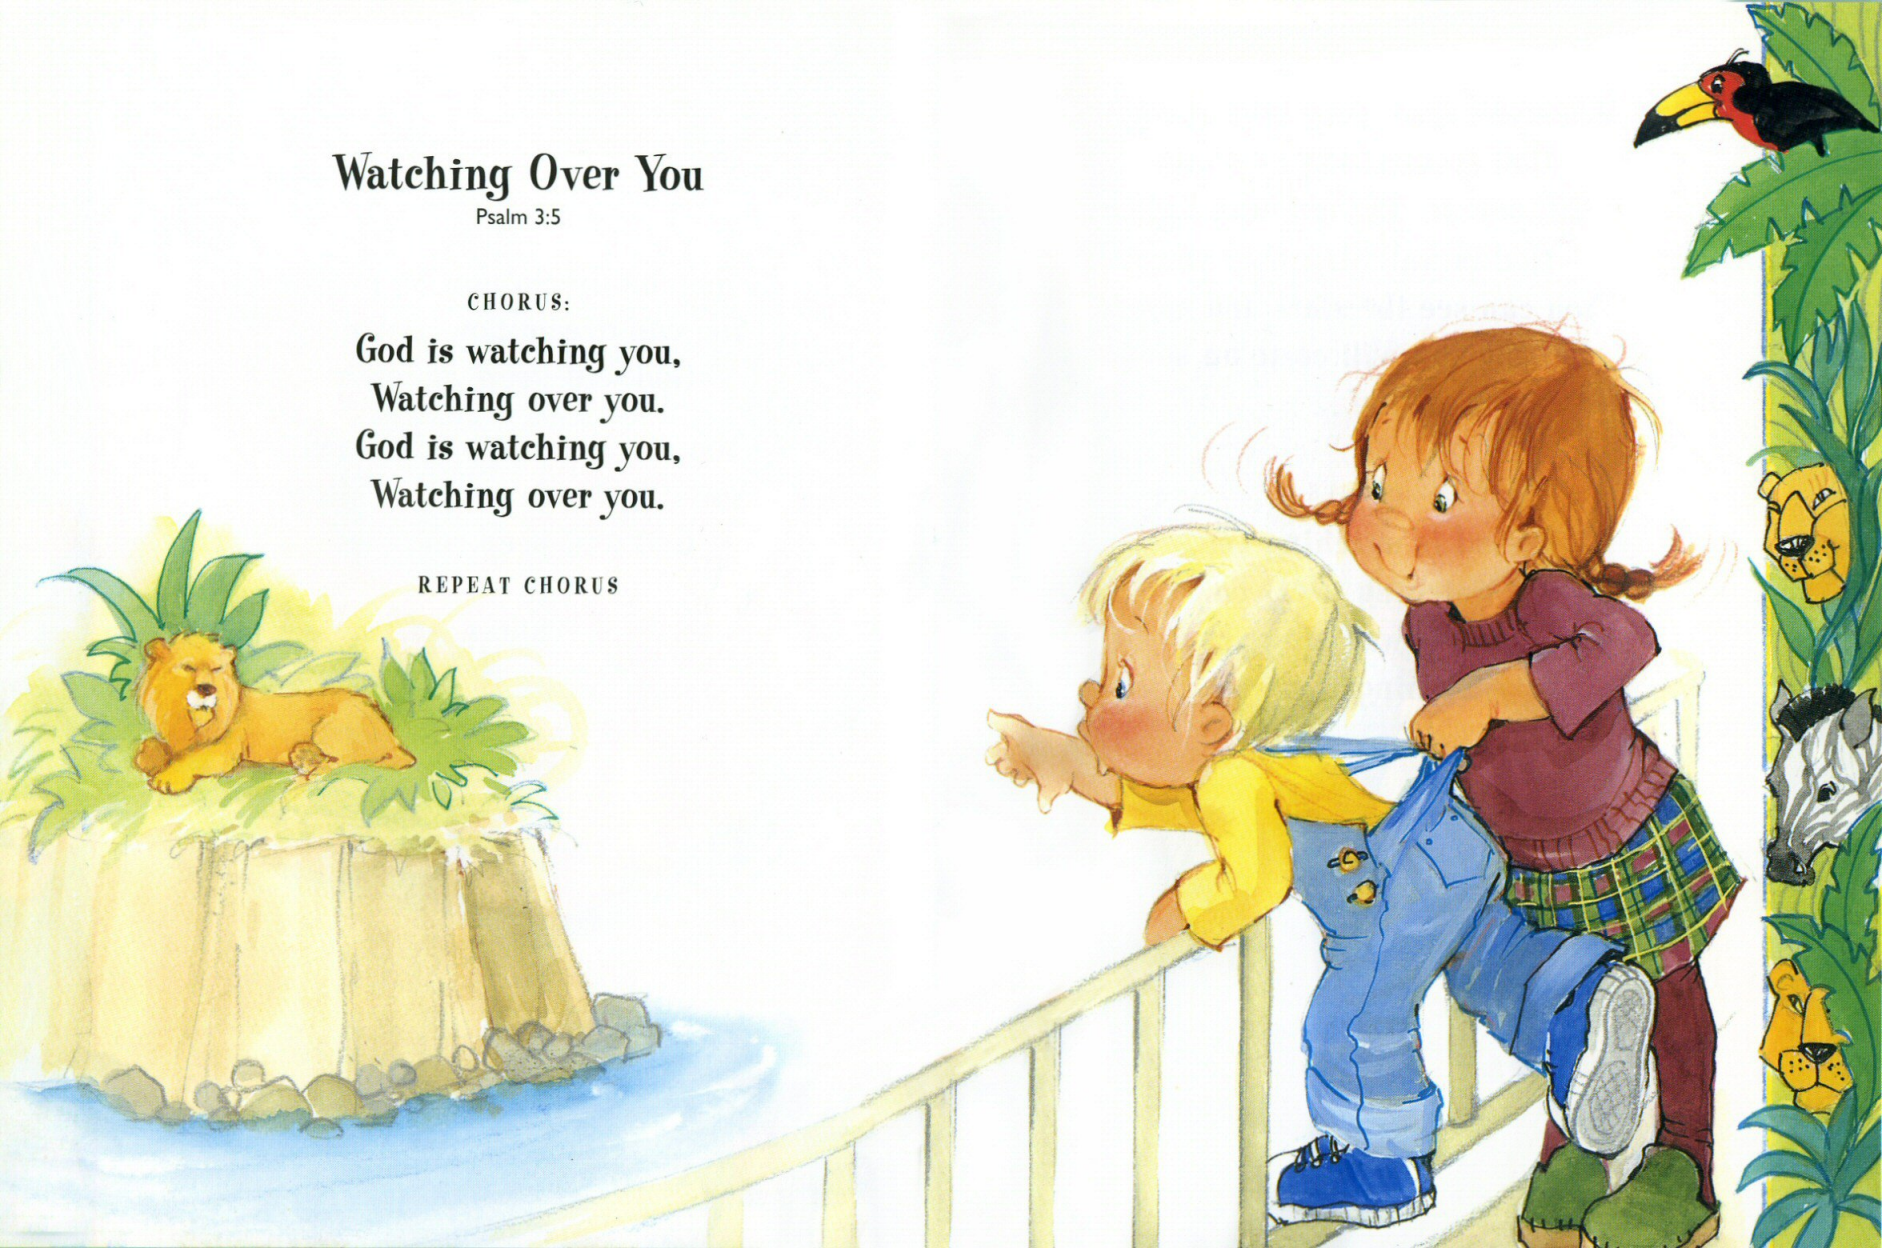
Watching Over You

Psalm 3:5

CHORUS:

God is watching you,
Watching over you.
God is watching you,
Watching over you.

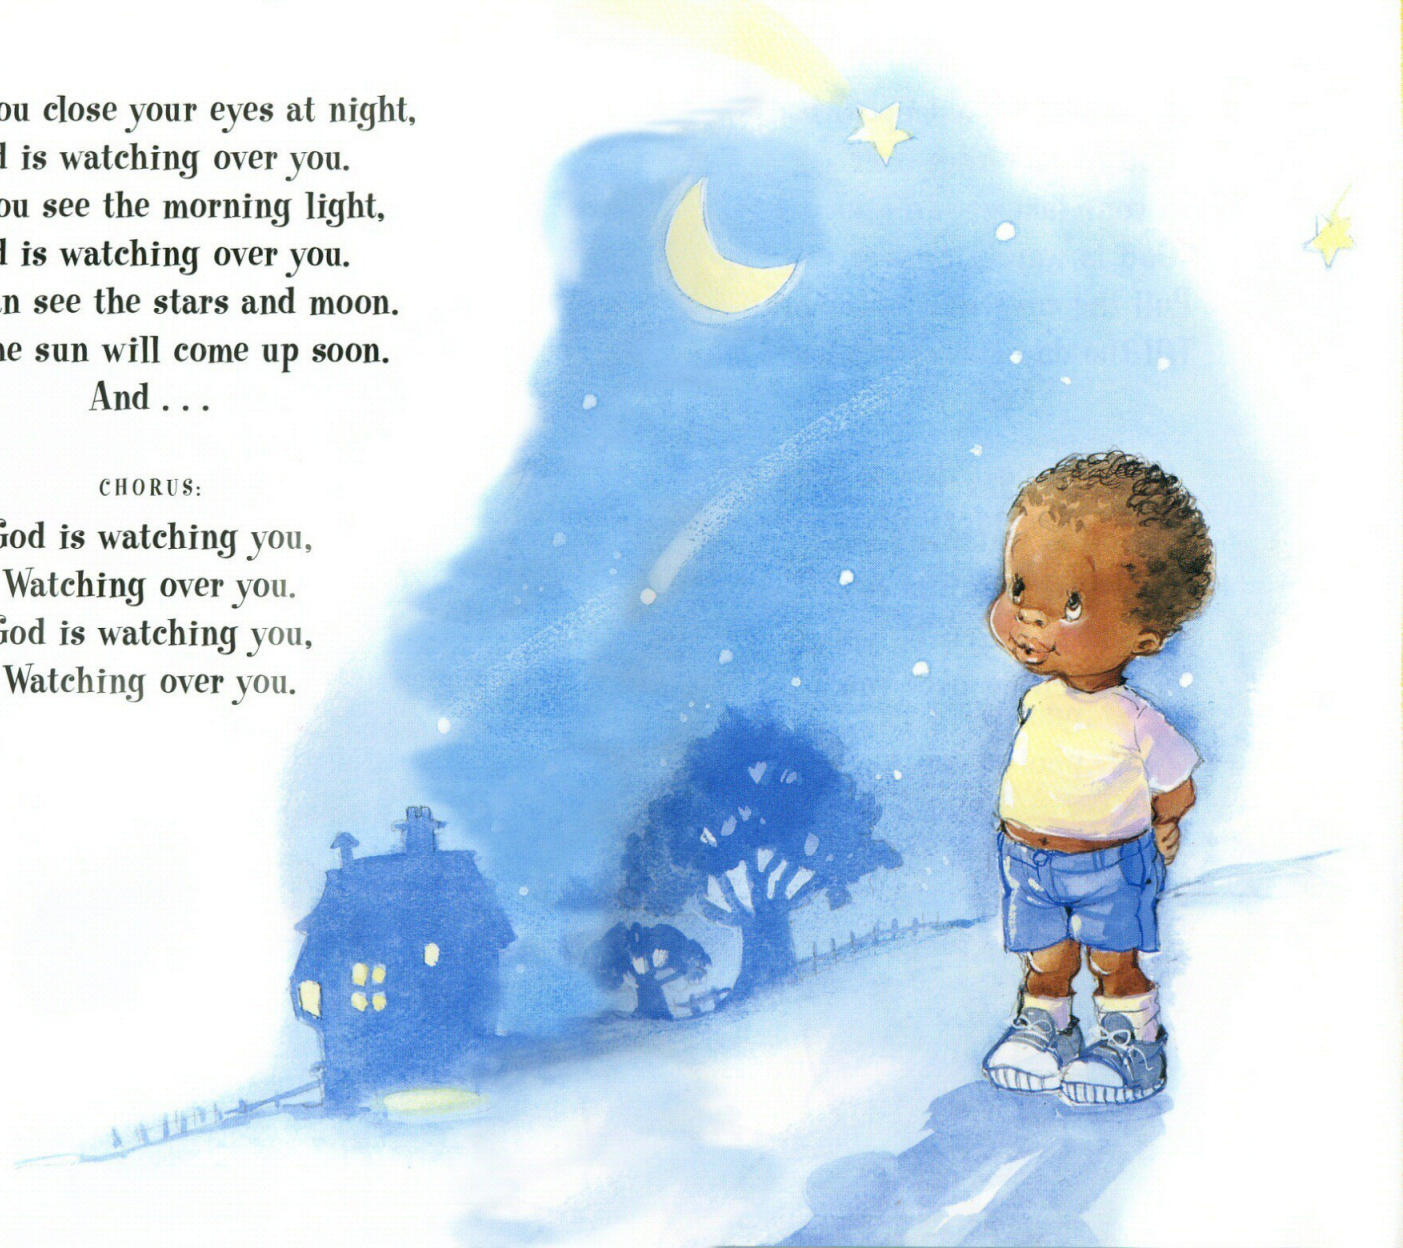
REPEAT CHORUS



When you close your eyes at night,
God is watching over you.
Till you see the morning light,
God is watching over you.
You can see the stars and moon.
But the sun will come up soon.
And . . .

CHORUS:

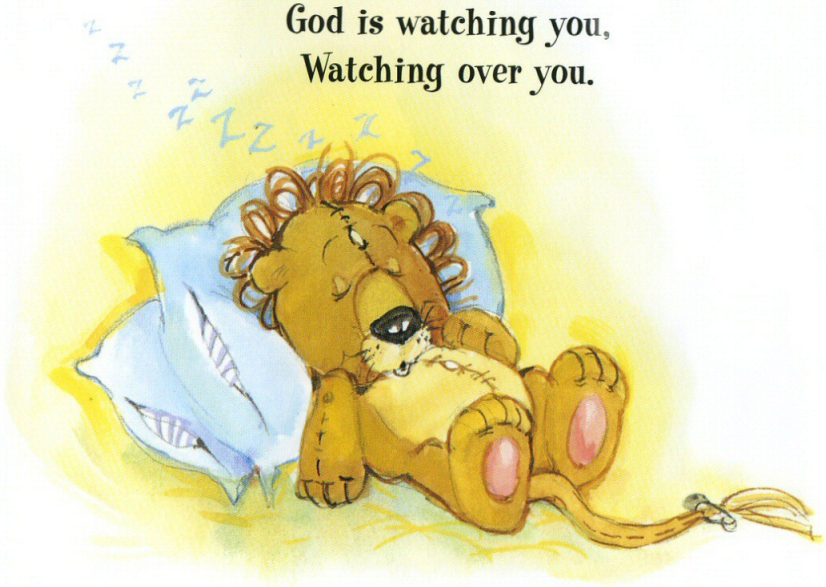
God is watching you,
Watching over you.
God is watching you,
Watching over you.



When you fall asleep in bed,
God is watching over you.
When your last good-night is said,
God is watching over you.
Pull the covers to your chin
Till the day can start again.
And . . .

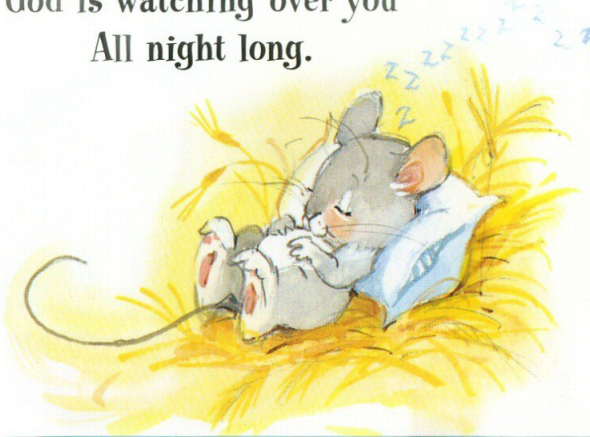
CHORUS:

God is watching you,
Watching over you.
God is watching you,
Watching over you.



God is watching over you
All night long.
God is watching over you
All night long.

All night long,
All night long,
God is watching over you
All night long.



Go to sleep, my little one;
God is watching over you.
Till you see the morning sun,
God is watching over you.
You're as safe as you can be.
And come morning you will see
That . . .

CHORUS:

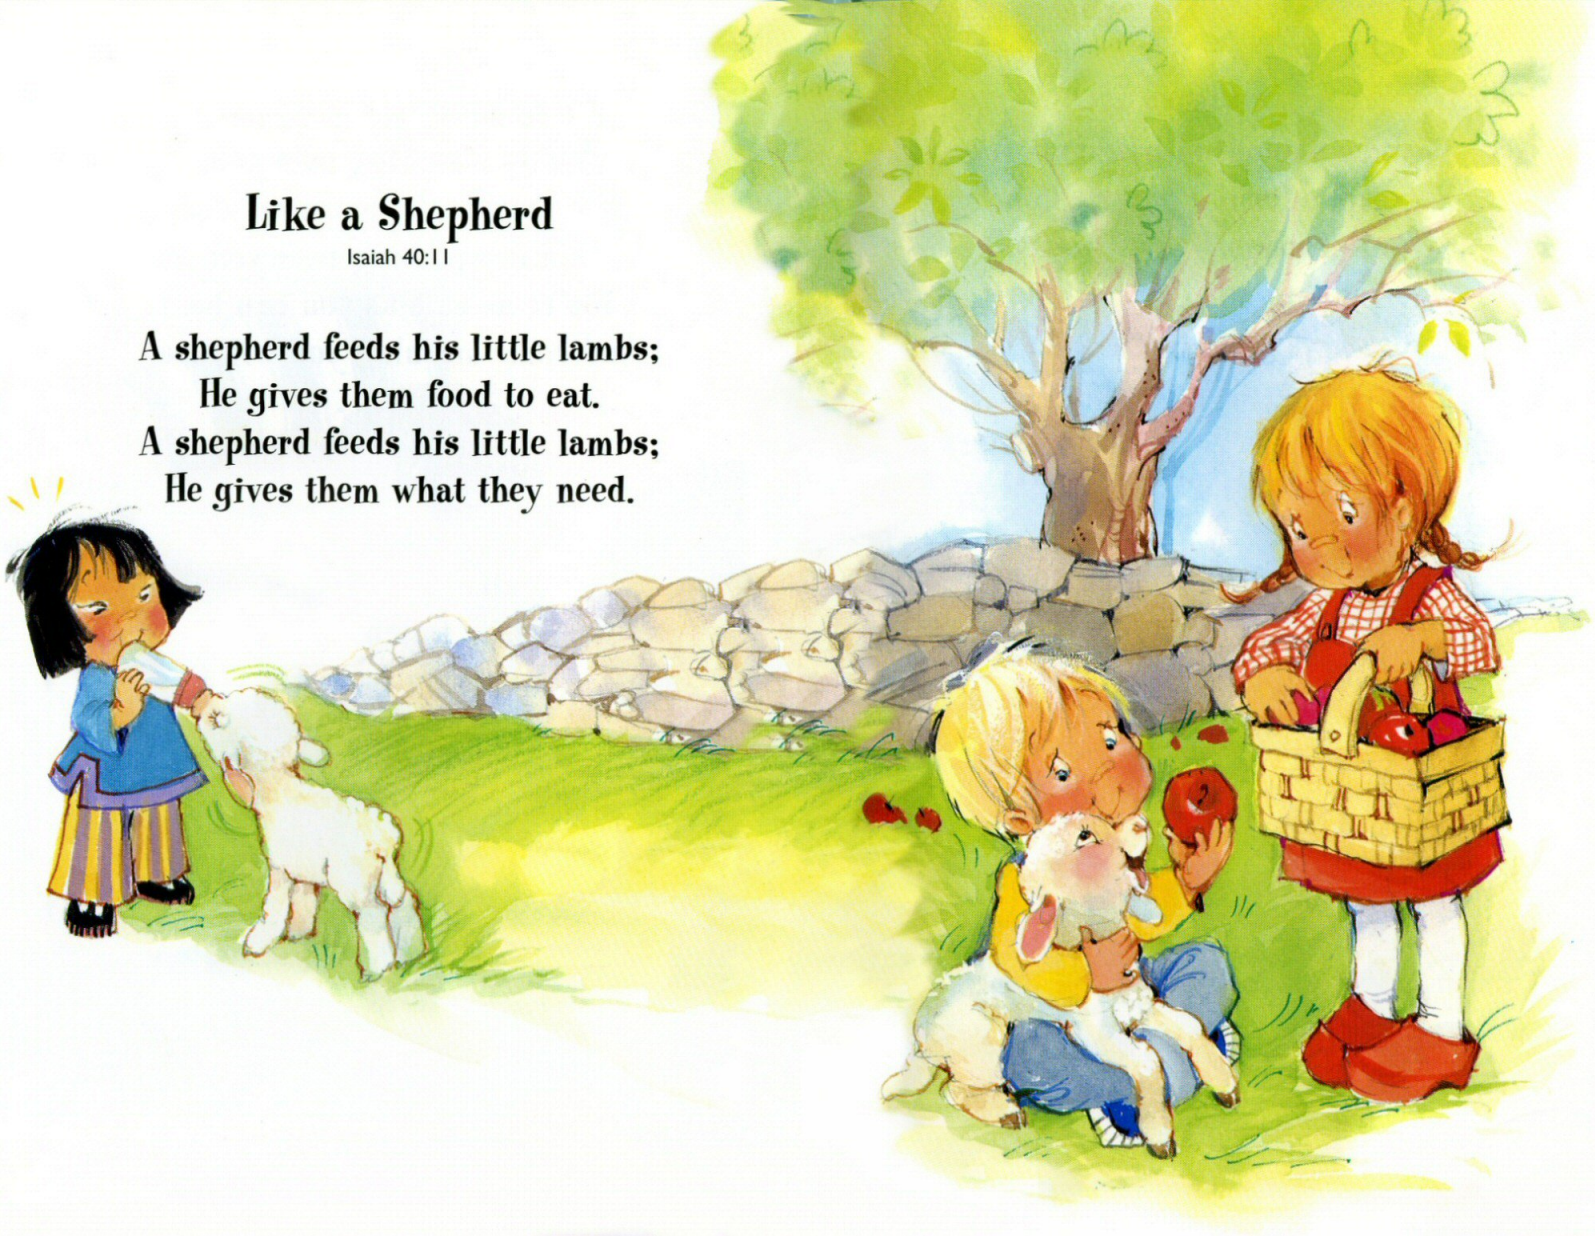
God is watching you,
Watching over you.
God is watching you,
Watching over you.

REPEAT CHORUS

Like a Shepherd

Isaiah 40:11

A shepherd feeds his little lambs;
He gives them food to eat.
A shepherd feeds his little lambs;
He gives them what they need.



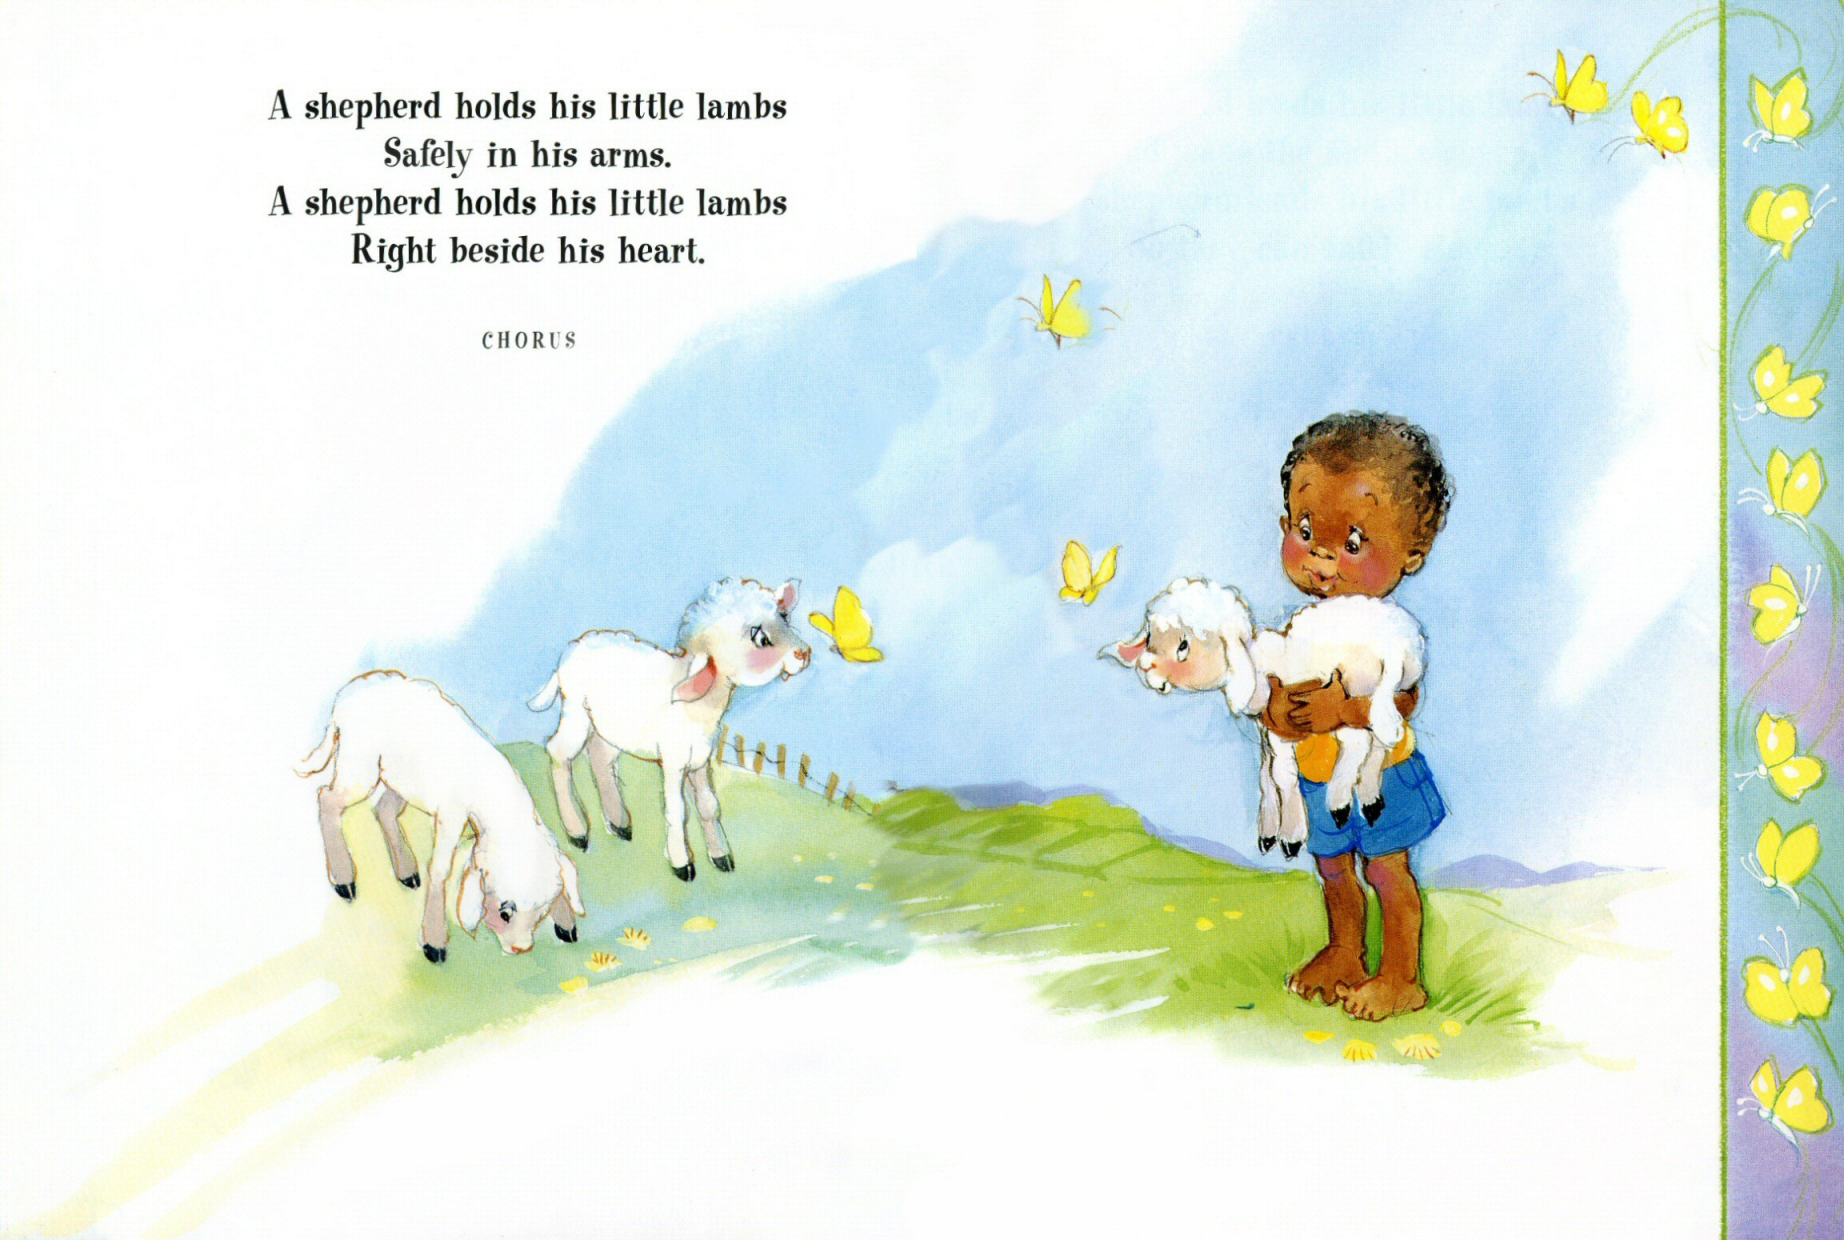
CHORUS:

A shepherd is the one who
Watches over those he loves.
God is like a shepherd, too,
Watching us from up above.
You are his little lamb.
You are his little lamb.

REPEAT THE LAST TWO LINES

A shepherd holds his little lambs
Safely in his arms.
A shepherd holds his little lambs
Right beside his heart.

CHORUS



A shepherd leads his little lambs
And leads the mother sheep.
A shepherd leads his little lambs
So they can safely sleep.

CHORUS

Right by Your Side

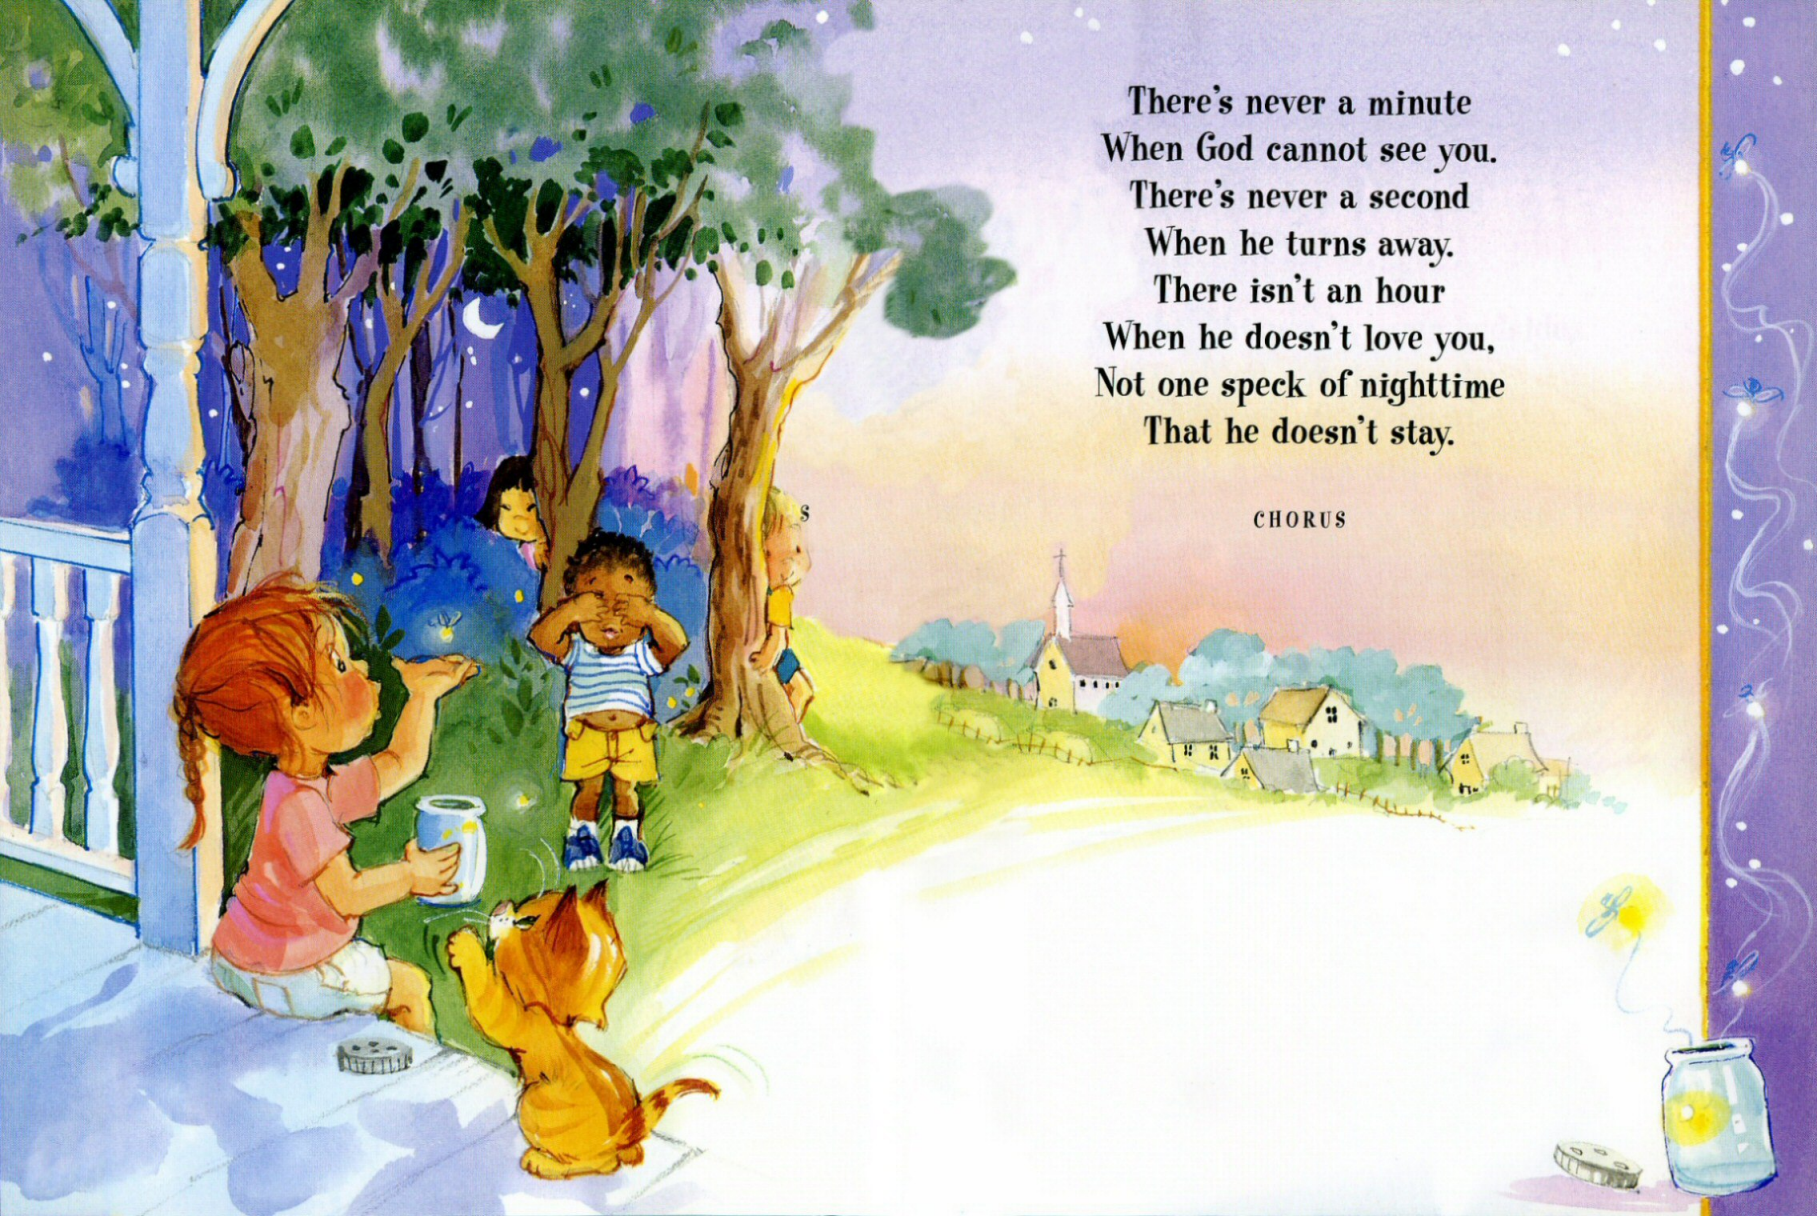
Hebrews 13:5-6

There's never a minute
That God isn't in it.
There's never a second
He's not on your side.
There isn't an hour
That he would not help you,
Not one speck of daylight
That he lets slip by.

Even a whisper–
God still can hear it.
He hears all your laughter;
He sees all your tears,
'Cause he's always listening,
And he always cares.
So don't be afraid;
God is with you here.

CHORUS:

Right by your side–
He's right by your side.
Right by your side–
He's right by your side.



There's never a minute
When God cannot see you.
There's never a second
When he turns away.
There isn't an hour
When he doesn't love you,
Not one speck of nighttime
That he doesn't stay.

CHORUS

God Always Listens

Psalm 120:1

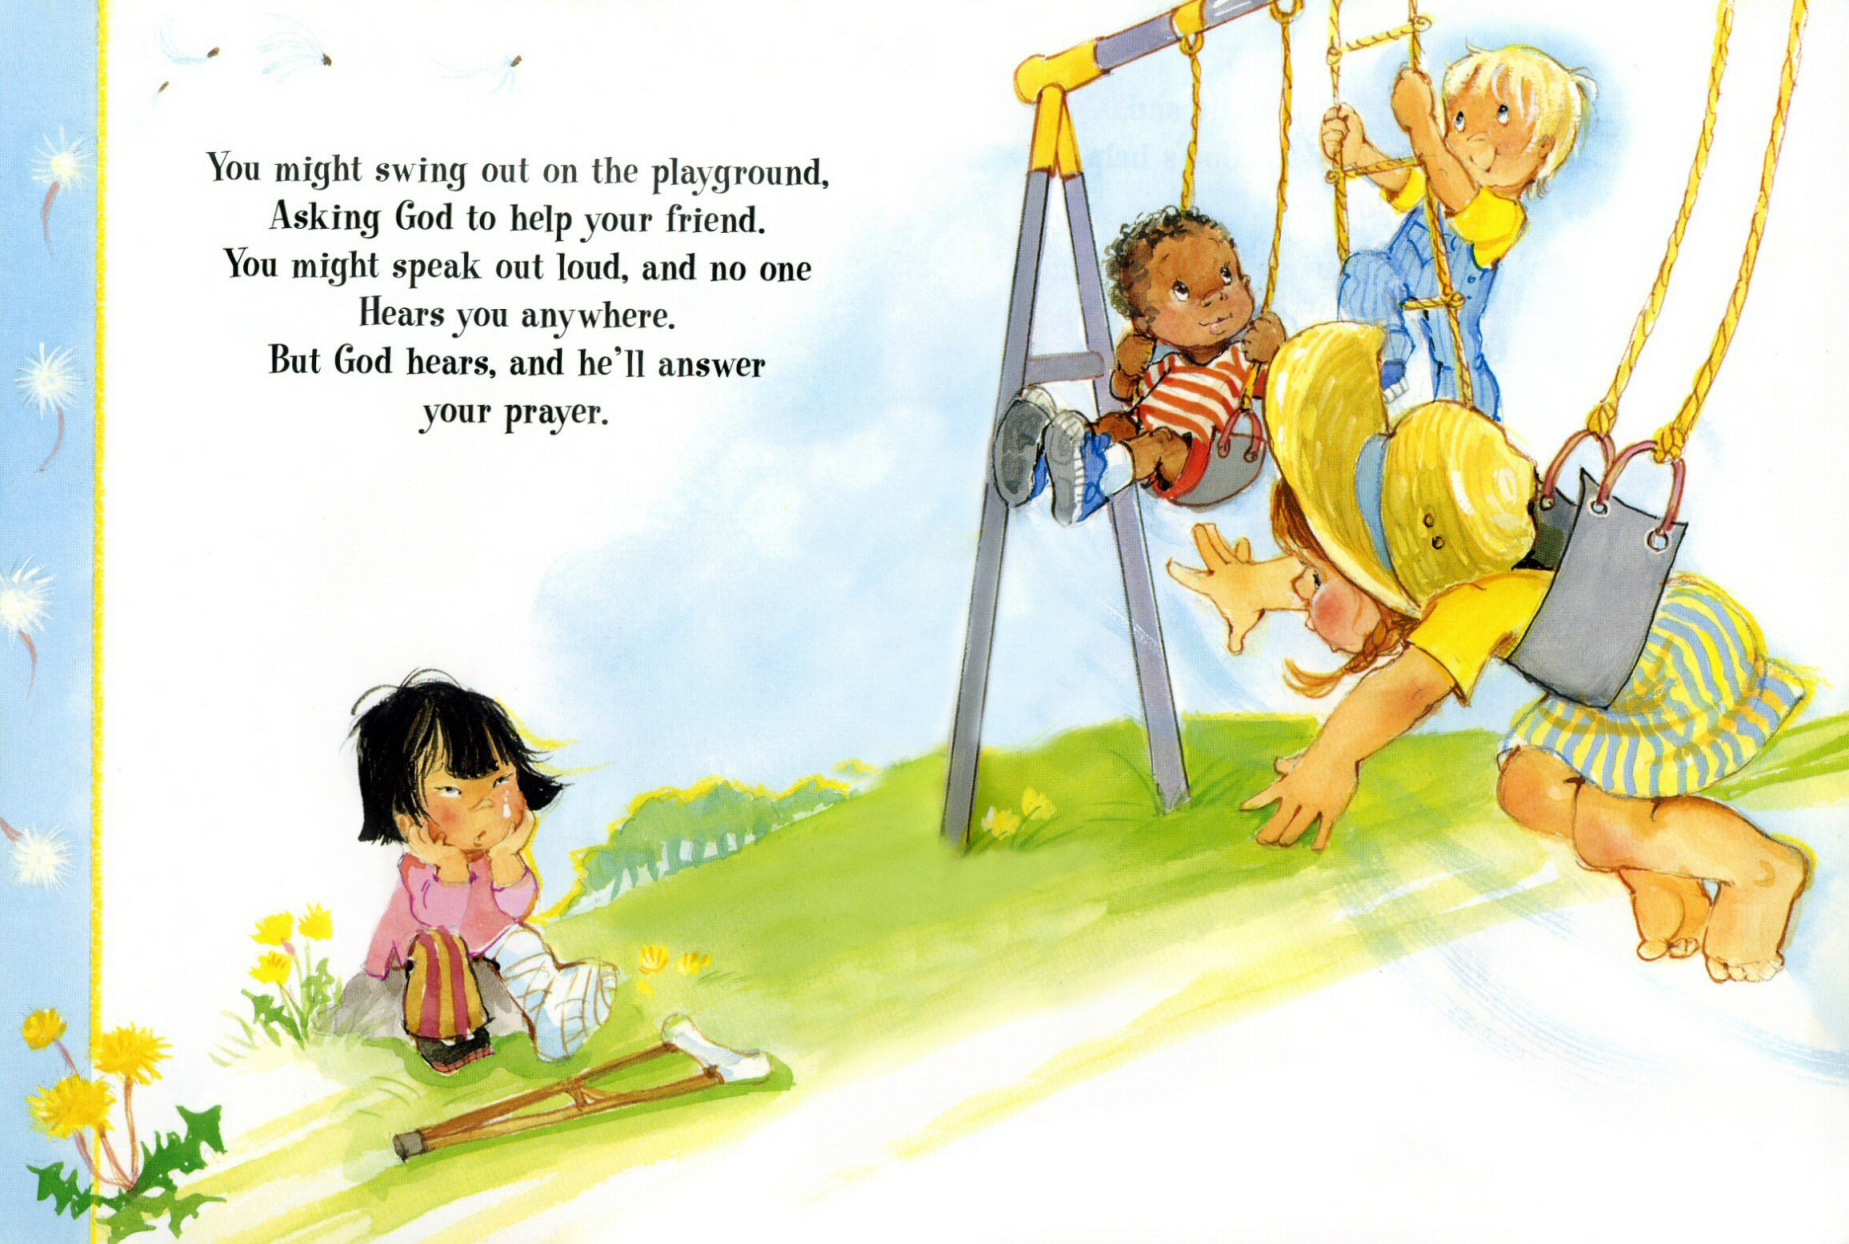
You might whisper by your bedside,
Telling God about your day.
You can speak so quietly
That no one else will hear.
But God hears, and he'll answer
your prayer.

You might cry into your pillow
Or start laughing right out loud.
No matter what you say,
No matter when, no matter where,
God hears, and he'll answer
your prayer.

CHORUS:

God always listens.
He will be there.
He'll somehow answer
Each one of your prayers.

You might swing out on the playground,
Asking God to help your friend.
You might speak out loud, and no one
Hears you anywhere.
But God hears, and he'll answer
your prayer.



You might feel a little sad,
And you might need God's help
to smile.
You may be alone,
And it seems like nobody cares.
But God cares, and he'll answer
your prayer.

CHORUS

God Pours His Love

Psalm 42:8

Through each day God pours
his love upon us
Like the rain falls from the s

Through each night we sing his songs
Because he gives us life.

That's why we pray; that's how we know
That he is with us wherever we go.
That's why we pray–we know he's near.
We know that God is with us here.

God Cares

I Peter 5:7

Are you worried about something-
Maybe one thing, maybe two?
When you're worried or
you're scared,
God cares what's happening to you.

Are you feeling something's wrong,
And you don't know what to do?
When you're nervous or afraid,
God cares what's happening to you.

CHORUS:

You can give him all your fears.
You can let him keep them.
You can give him all your tears.
You can go to sleep then.

Is it time to go to bed
Even though there's lots to do?
When it's hard to lie so still,
God cares what's happening to you.

CHORUS

Your Room's Filled with Love

James 4:8

When you know God's near you,
When you know he's here,
You know your room's filled
with love.
When you can remember
That God never leaves you,
You know your room's filled
with love.

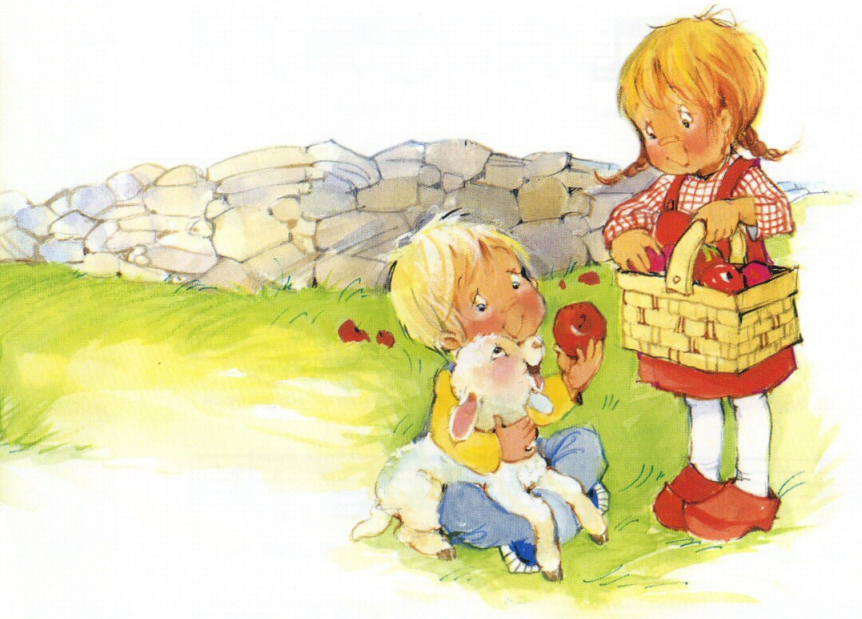
CHORUS:

God never goes away from you.
He promised he'd always stay.
But you might forget he's here, and then
He'll seem so far away.

If you close your eyes

And imagine your room
Wrapped around you like a hug–
If you close your eyes
And remember God's with you,
You'll know your room's filled
with love.

CHORUS:

God never goes away from you.
He promised he'd always stay.
But you might forget he's here,
and then
He'll seem so far away.


God never leaves.
He never leaves;
He never leaves.
He's right here with you.
That's where he'll
always stay.
